

- People
 - Portrait - 1 face
 - Group photo - more than 1 face
- Pets (dog and cat pretrained category)
- Food (food and kitchen pretrained supercategories, but potentially add more from Open Images)
- City/urban
 - Skyscraper
 - Vehicles (pretrained super categories)
 - Street sign, stop sign, parking meter (pretrained categories)
- Nature
 - Not many objects - only a couple objects detected in image? Or only faces?
 - Other animals (pretrained, not dogs or cats)
 - Trees
 - Flowers
- Sports (pretrained super category)
